

# Quality Control Certificate

## dsDNA-Ab ELISA

REF RE75201

LOT 26060084

 2027-09-30  
YYYY-MM-DD

### Final Release Results:

|              | Conc. | Measured value | Acceptable range  |                    |                   |
|--------------|-------|----------------|-------------------|--------------------|-------------------|
|              | IU/mL | OD             | lower limit<br>OD | target value<br>OD | upper limit<br>OD |
| Calibrator A | 0     | 0.045          | > 1.000           |                    |                   |
| Calibrator F | 250   | 2.213          |                   |                    |                   |
| CONTROL -    | -     | 0.096          | ≥ 0.500           |                    |                   |
| CONTROL +    | -     | 1.296          |                   |                    |                   |

|           | Validation criteria (manual) |                      |                       |                      |
|-----------|------------------------------|----------------------|-----------------------|----------------------|
|           | Measured value               | Acceptable range     |                       |                      |
|           | IU/mL                        | lower limit<br>IU/mL | target value<br>IU/mL | upper limit<br>IU/mL |
| CONTROL - | 2.1                          | 51                   | 80                    | ≤ 10.0               |
| CONTROL + | 81                           |                      |                       | 109                  |

|                                         |      |
|-----------------------------------------|------|
| Factor for qualitative assay evaluation | 0.63 |
|-----------------------------------------|------|

This product has been tested successfully by the Quality Control Department and was released for sale according to the existing specifications.
